

ORDINANCE NO. 2010-SW-01

AN ORDINANCE SETTING REGISTRATION FEES FOR CONSTRUCTION SITE QUALIFIED PROFESSIONAL INSPECTORS AND REQUIRING PROOF OF REGISTRATION TO OBTAIN STORM WATER QUALITY MANAGEMENT PERMITS.

WHEREAS, the Clarksville Town Council has adopted the Qualified Professional Certification Ordinance No. 2010-SW-01 for the purpose of compliance with the USEPA Rules and Regulations promulgated in the Federal Register on December 8, 1999 (64 FR 68722) and the Indiana Administrative Code 327 IAC 15-5-7(18) regarding construction site inspection and enforcement and the Town's Construction Site Runoff Control Ordinance (2004-SW-02); and

WHEREAS, Ordinance No. 2004-SW-02 requires the Qualified Professionals performing inspections to be registered with the Town and be certified prior to the execution of those actions; and

WHEREAS, Ordinance No. 2004-SW-02 provides for a fee to obtain said registration; .

NOW, THEREFORE, be resolved by the Town as follows:

1. **Effective Date.** Effective July 1, 2010, Qualified Professional Inspectors shall be registered through the Town's Wastewater Billing Office for the purpose of compliance with Ordinance 2004-SW-02.
2. **Non-transferability and Non-negotiability.** Any registration issued under this Sub-Chapter may not be transferred, assigned, sold, or negotiated to another person. It is unlawful to transfer, assign, sell, or loan such registration for the use

of any other person, firm, or corporation to enable such person, firm, or corporation to work on a job without obtaining the proper license or permit.

3. **Application Process.** Application must be in writing to include the following:

- a. Applicant's name, address, and telephone number
- b. Applicant's present place of employment (Business Name)
- c. Payment of \$100.00 registration fee
- d. Copy of Certification for Qualified Professional Inspector Training
- e. Photo Identification

2. **Registration Renewal.** All registration holders will receive a notice from the Wastewater Billing Office up to six (6) weeks prior to the expiration of their registration. Registration Holders must renew their registration on or before December 31 of each year for a renewal fee of \$100.00. Should a registration holder fail to renew the registration by that date, the registration holder will incur a penalty of \$50.00, so that the renewal fee will be \$150.00 for that year.

3. **Proof of Registration to Obtain Stormwater Quality Management Permit.**

Proof of registration as a Qualified Professional Inspector must be given prior to issuance of a Stormwater Quality Management Permit for any qualifying construction project. Failure to obtain the Stormwater Quality Management Permit as required by Ordinance No. 2004-SW-02 will constitute a violation of that Ordinance and enforceable according to Section 6.

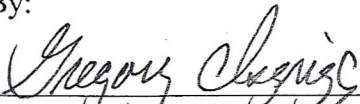

4. **Registration and Renewal Fees.** Upon collection of any registration fees, renewal fee, and/or penalty, the Clarksville Wastewater Billing Office shall deposit said funds into the operation account of the Clarksville Stormwater Department.

5. **Building Permits.** No Building Permit shall be issued by the Building Commissioner's Office without proof of construction site erosion control inspection by a Registered Qualified Professional Inspector.

THIS ORDINANCE PASSED and made effective this 7th day of June,
2010.
